

Robert H. Shmerling, MD

**Senior Faculty Editor, Harvard Health Publishing; Editorial Advisory
Board Member, Harvard Health Publishing**

Dr. Robert H. Shmerling is the former clinical chief of the division of rheumatology at Beth Israel Deaconess Medical Center (BIDMC), and is a current member of the corresponding faculty in medicine at Harvard Medical School. As a practicing rheumatologist for over 30 years, Dr. Shmerling engaged in a mix of patient care, teaching, and research. His research interests center on diagnostic studies in patients with musculoskeletal symptoms, and rheumatic and autoimmune diseases. He has published research regarding infectious arthritis, medical ethics, and diagnostic test performance in rheumatic disease. Having retired from patient care in 2019, Dr. Shmerling now works as a senior faculty editor for Harvard Health Publishing.
